

## What is worship renewal?

- exploring new possibilities in how we worship
- seeking to hear God's voice speaking into traditions and styles of the past to create new and relevant ways of worshiping
- talking and learning and growing in our understanding of what worship means and how it speaks to different people in different ways
- trying new styles of worship and listening to how new worship practice can infuse life into our gathering together

we hope you'll  
come be part  
of the conversation  
with us!

This program is made possible through a Worship Renewal Grant from the Calvin Institute of Christian Worship, Grand Rapids, Michigan, with funds provided by Lilly Endowment Inc.

### What is it?

This event is an opportunity for all to come and learn about who we are when we gather as God's people, what we are called to do in worship, and how we celebrate the variety of gifts, ideas, and pieties that we bring to worship as a community of faith. All are welcome and encouraged to come!

### Who should come?

We welcome pastors, musicians, worship teams and all others who are passionate about worship to gather with us for conversation and learning. We especially encourage congregations to consider sending a team of learners so that you can discuss how the conversation impacts your place of worship.
