

## **FACE to Face: Sharing our spiritual need, hunger, and success**

You are invited to FACE to Face, an event hosted by The Faith Formation Team that will take place in three locations throughout our Synod, the purpose of which is to gather individuals who are interested in the spiritual life of their congregation and themselves. At each event we will:

- Have conversation about what congregations are doing well in helping people grow as disciples.
- Discover and explore what is spiritually nurturing to people in our congregations.
- Identify areas of need in our discipling opportunities.
- Identify perceived spiritual needs.
- Begin to develop deeper connections between our local congregations to increase networking and better maximize our discipling resources.
- Make people aware of the Faith Formation Facebook where conversations can continue and information about discipling can be readily shared.
- Collect, evaluate and communicate gathered information and results to the pastors whose congregants have participated.

**These gatherings will offer light refreshment from 6:30 P.M., with the gathering event at 7-8:30 PM on the following dates and locations in May:**

- **May 4, 2010** - St. Matthew Lutheran Church, 500 Lynbrooke Road, Springfield, Delaware County, 19064
